

## TELLING STORIES THROUGH MUSIC

JAMIE SMITH / FOR THE NORTH COUNTY TIMES

### Artist gives presentation at Carlsbad school

Josiah 'The Multicultural Musical Storyteller' visited Pacific Rim Elementary School in Carlsbad on Friday morning for a presentation to students about black history and Kwanzaa, a celebration of family values, community responsibility, commerce and self-improvement. The purpose of the presentation — a combination of storytelling, music and interactive discussion — was to share the cultural and historical significance of the holiday.
